Greetings!

Enclosed you will find our confidential estate planning questionnaire. This questionnaire is used to gather the information necessary to properly plan your estate. Please answer all applicable questions as completely as you can. The more information you can provide, the better I can answer your questions, and, if you have decided to establish your estate plan through this office, draft your documents in accordance with your wishes. However, accuracy to the exact dollar is not necessary.

If you have not scheduled an appointment, but would like one, please call our office at (562) 594-4200.

If you have scheduled a meeting, please bring the completed questionnaire, any existing estate planning documents (e.g. trusts, wills, etc.), as well as a copy of the deed(s) to any real property that you own, if any, along with a copy of the latest property tax statement(s) on such properties, and any financial information or investments that you would like reviewed (e.g. statements, annuity contracts, etc.).

If you live in Leisure World, please also bring your Leisure World Stock Certificate and Active Membership certificate to our meeting.

Please note that no attorney-client relationship is established until an Agreement for legal services has been executed by yourself and a representative of the firm, and the required deposit, if any, is paid in full.

Thank you for your cooperation,

THOMAS L. McKenzie

Additional Questions Regarding Gifting, and Medi-Cal Planning

At times, it can be advantageous to allow your agent under your power of attorney to make gifts of your property on your behalf to your spouse, if you are married, or to your children. This might be appropriate if, for example, you have lost the capacity to make such gifts yourself, and your estate might be subject to estate tax upon your death. In that event, gifting a portion of your assets while you are alive could enable you to decrease your estate tax liability.

Another example of where gifting powers could be beneficial is in the area of Medi-Cal planning. Often, when someone requires long-term care in their lifetime, assets must be spent down in order to qualify for Medi-Cal benefits for nursing home care. Under current law, a portion or all of certain assets can be preserved if they are gifted to a well spouse, if any, or to your children. Allowing your trustee under your trust, and your agent under your durable power of attorney to make such gifts would be beneficial in the event that you could not make them yourself, due to injury or illness.

Please note, however, that in the event of your incapacity, the person or persons holding these powers would have almost unlimited power over your assets. Therefore, gifting powers should not be contained in your trust and your power(s) of attorney unless you have complete confidence in the person(s) you have named as your successor trustees and your agents.

Understanding the above, do you wish to have gifting powers in your trust and your durable power of attorney for property management?  
(you) ___ Yes ___ No  
(spouse) ___ Yes ___ No

Understanding the above, do you wish to have Medi-Cal planning gifting powers in your trust and your durable power of attorney for property management?  
(you) ___ Yes ___ No  
(spouse) ___ Yes ___ No

Notes:

For Those Who Possess Firearms

If you possess firearms for sport, self-defense or collection purposes, you may wish to consider establishing a “Gun Trust,” which is a Trust which is specifically designed to hold firearms, assist you and your Successors in handling firearms in a lawful manner, and assists in transferring your firearms to your beneficiaries in compliance with the various federal and state laws. Without such protections, it is possible, for example, that your Successors may accidentally violate gun-related laws, some of which are felonies with serious criminal penalties. If you would like more information about establishing a “Gun Trust,” please indicated here: ___ Yes ___ No.

For Those Who Have Substantial Interests in IRA Accounts

Those who have substantial interests in IRA accounts (for example, $100,000 or more), may wish to consider an “IRA Inheritance Trust.” This is a revocable and amendable Trust which is established by the IRA owner, which is like a “Living Trust” for your IRA’s. Some of the benefits of such a trust are as follows: (1) Maximizes ("stretches out") tax deferral and wealth accumulation for your beneficiaries; and (2) Can protect beneficiaries against divorce, lawsuits, creditors, poor financial decisions, bankruptcy, or even losing government benefits. If you would like more information about establishing an “IRA Inheritance Trust,” please indicated here: ___ Yes ___ No.
